

“The homily is a means of bringing the scriptural message to life in a way that helps the faithful to realize that God’s word is present and at work in their everyday lives. It should lead to an understanding of the mystery being celebrated, serve as a summons to mission, and prepare the assembly for the profession of faith, the universal prayer and the Eucharistic liturgy.” — Pope Benedict XVI, *Verbum Domini* (2010), #59

Conference Aims:

- To celebrate the renewal of Catholic preaching since Vatican II, and especially since the promulgation of *Fulfilled in Your Hearing* 30 years ago
- To lift up and engage the formidable ongoing challenges of the ministry of preaching given in Vatican II, *Evangelii Nuntiandi*, *Fulfilled in Your Hearing* and *Verbum Domini*
- To reflect on the changed circumstances and new challenges for preaching arising in our increasingly plural context

All sessions will take place at the Notre Dame Conference Center.
