

## **A LITURGY BIBLIOGRAPHY**

No bibliography of liturgical resources is ever complete, and all bibliographies reflect the interests, biases, and experiences of their authors. This list is no different. I offer the following as resources that you might find helpful in your ministries. I do not expect that you will agree with everything that every author says; I certainly do not. But these have been insightful and interesting dialogue partners on my journey. I hope that you find them to be the same.
