Need cooperative support of Mercy Hospital and its Chaplain to provide assistance to Prince of Peace on an as needed basis.</li> <li>2. Need Diocesan support to continue the assignment of a Diocesan priest for Clinton's Mercy Hospital chaplaincy.</li> <li>3. Franciscan Sisters will need to arrange for a priest from outside of our Parish to provide for their weekend Mass schedule.</li> <li>4. In order to continue with a monthly Spanish Mass, will need the continued support of a bilingual Diocesan priest.</li> <li>5. Will need Diocesan approval of a four Mass per weekend schedule for one priest in order to accommodate present Mass schedule.</li> <li>6. Will need to rely more on Deacon/Lay ministers to provide Communion services at nursing homes and hospital services when the one parish priest is not available.</li> <li>7. In light of the fact that Prince of Peace Parish provides excellent training/formation for newly ordained priests, and since it is the policy of the Diocese that newly ordained priests have two assignments as Parochial Vicar before becoming Pastor, it would be our hope (and prayer) that the Diocese would continue to assign newly ordained Parochial Vicars to the parish, as they are available.</li> </ol>	<ol style="list-style-type: none"> <li>1. Verbal agreement achieved.</li> <li>2. Concurrence of arrangement.</li> <li>3. Sister Laura spoke with Clinton Franciscans about this issue.</li> <li>4. Completed</li> <li>5.
